Chronicle Dog Training, Kennelling and Operations Management Module

Chronicle Dogs is a unique Dog Training, Kennelling and Operations Management System designed in collaboration with police officers to encompass all aspects of Dog training, work and welfare across a force, collaboration or region.

With features such as the Licensing Overview and Status Report, it is easy to ensure your dog and handler teams remain competent and deployable.

FEATURES AND BENEFITS GENERIC TO ALL CHRONICLE MODULES	
Designed in collaboration with police officers	Tailored to meet the operational demands of your force, collaboration or region.
Robust audit trails	Provide fully auditable and accurate records for any investigation. Protect the individual and your organisation and reduce litigation risk as well as the ability to provide fast, cost-effective responses to FOI requests.
Available on Police ICT and G-Cloud procurement frameworks	Save tender costs and streamline the procurement process whilst reducing your procurement risk.
Feed critical capability & capacity data directly to NPoCC	Eliminate the need for spreadsheets and reduce the administrative burden. Save time and cost whilst providing accurate, real-time information.
Skills exporter and interfaces available	Save time and cost by eliminating double-keying and ensuring data is consistent across systems. Link skills to duties to ensure you have the right people with the right skills in the right place.
